1. So many are on the planes of oblivion, oblivious to the decision that has to be made. The decision will be made, their decision will be made, their decisions that will take them closer to Me and involve them in what I am doing or walk them farther down the road delayed, relayed, re-roped and calved, many. I love you and I give you Me. On the plains of Shinar are so many, on the fences looking in, looking over, deciding what to do, what to say, how they shall remain justified in their own sight and the light of New Truth, Truth New, Truth Royal, Truth visible, Truth demonstrated in My Mighty Many.
2. So many so timid. Review, **review My words on timidity and how it has no place in My Kingdom.** Timidity has no place in My Timothy's. My Timothy's are students who seek now to become instructors, masters of momentous movements of only Me.
3. See Me in what I have said and the momentum that now builds, cataclysmic of only Me. The receivers and the rejecters unite not. The receivers reject untruth; the receivers see, hear, feel and become. The rejecters retain their mortal body, their mortal soul and the sin which besets so easily. I love you and I give you Me.
4. On the planes of Shinar are so many oblivious, in complete total absolute darkness, oblivion, oblivious to the decisions yet coming forth that they will make, each one individually on their own, for each other not; for everyone has DNA of only Me, and in it they see. **To see has been given; to hear has been arranged; to feel is unquestioned; and to become Me is their highest privilege.** I love you and I give you Me.
5. See all that I have said so clearly, so clearly, so perfectly Me in no parable, completely out in the open, the simplest for even the smallest child. Intellect and intelligence of only Me; given, received, protected, and now coming forth in gloriousness of only Me.
6. I love you. I love you. I love My Mitts, My dreamers who now come forth dreaming dreams of hopelessness and despair not, cantankery not; but many-fingered, many-limbed ones who now come forth, bearing precious seed, precious seed in My sight, carefully tending the soil, the richness of the soil, the state of the soil, the state of the seed; letting Me do My work, tending it in intercession, nurturing it in intercessory oversight, intercessory undergirding, intercessors leading. I love you.
7. I give you Me; My ways; My path; My guidelines; My glide path, gliding into Me so easily you may. Requests of only Me. Requests sent/received before the foundation of the world, implanted, impregnated, virgin of only Me. I love you and I give you Me.
8. I give you My words, My ways, and I give you historical simplicity yet heretofore unrevealed, reveals now in simplicity whereby even simpletons, if desirous, if even

receiving the milk, My milk, the milk of My word, the milk of these words, can see so much, so many, so privileged. I love you.

9. I steer rightfully, carefully, masterfully, purposefully; creating, creating, creating with the work of My hands, the words of My mouth, the motive of My heart, the meditations all-encompassing now by all that come forth. Light of only Me; light beams, light rays, light encompassing, penetrating, creating. Watch Me.

10. Patience not for long needed. Patient today, tomorrow Me, Me yes, Me am, I am, I am Me, you are Me, we are one and all together one. I and My Father are one, you and My Father are one, you and I are one; yea, triunes, triads of only Me. I love you.

11. I give you Me. Yea, golden, golden of Me coming forth; gold of Me coming forth, untarnished, refined in the fire, burnished, bronzed, brilliance'd by the beauty now revealed in the beholding, the behold-ment of only Me. See Me. See Me. See Me in you. See you coming forth as The Priesthood of All Believers in the Order of Melchizedek, Me. Holy, holy, holy, untainted, un-compromised, unyielding, meekness'd, brilliance'd, glowing, Me-ing others around you to power with the word of My mouth, the glory, the word of your mouth, **the Many Mighty Me'd ones coming forth**. I love you so much.

12. Intimacy of only Me; emotions gladiated, ingratiated not, grated not, inflicting no wounds but salving only Me in each other in tenderness, meekness; and honey being to each other in My honeycomb, My richness of Me, My hues and colors and sparkles of only Me, in sunrays of Sonlight, Sonrays of My Sonlight permeating all. Sweetness of only Me, so satisfying, angelcakes coming, I promise. I love you.

13. My ravens come, My ravens go, My ravens purpose to do My will, commanded by the word of My Father to bring meat and raiment of only Me. **My delivery system completely unlimited**; infinite access to permanent resources which come forth from the wellsprings of My heart into My family, into My family, into MY, MY family; My family which was, My family which is, and My family which will be one, one, one in Me; in Me with The Father, My Father, their Father, us all together one in the light of our glory reunited, one-shipped of only Me. In to Me see. See Me. Yea, see Me; **reunification** of only Me. All things in My power, in My grasp, always was and evermore shall be; world ending soon, My world eternal. I love you. All coming forth in My glory, reigniting the angels in heaven, the angles on earth, the angels of the Mighty Many, ignited, glowing in Me.

14. Watch Me, watch Me, watch Me, watch Me come forth and glow and grow My Mighty Many who chew My word, who eat My words so carefully, delicately, gracefully, not gobbling them down; but savoring and tenderizingly becoming tender, as on and in My words in and through them and those around them, and those that they enter; they see, feel and become Me increasingly. I love you. I love you. I love you.

15. On the planes of Shinar so many, oblivious to the decisions they will make in days, nights few. I love you.

16. Come forth. Cataclysmic news not, but simply simplify My message. My life, My family history books open, read for the first time, giving you Me; My family history,

lineage of only Me. Details, deterioration not, all coming forth, all blanks filled in, all questions answered, all of Me revealed, all of Me offered on plates the banquet world has awaited for since time began. I love you.

17. End comes. End in sight. All is winding up. Wound up. Ready. Blasting forth Me. You and all who will choose Me this day, choosing who they will serve, choosing who they will live with, choosing where eternity lies for them; where they lie in eternity, where they yield, where they stand, what they say and who they will open their mouth for, and to and what they will give, for what they will say, be, and become. They, every single one; DNA of Me comes forth replete, complete in only Me; revealed to Me by My Heavenly Father, My Father the maker of lights, the maker of light, the maker of all light, The light, the one and only source of true light; the one and only maker of light period. All light, all energy, source of only Me. See Me. Generators, generators of only Me. Rotational beacons in seas of only Me. I love you.

18. So much leather, so much finery, so much ornate beauty yet to behold, nothing like yet what is in Me; but given now in days for purposes of only Me, laid at your feet for the purposes of My feet being washed in My Mighty Many coming from the four poles, the two poles, the axis and counter-axis and the cross-points of only Me.

19. Winds heavy, winds strong bringing glide paths to only Me. Refining forays, the frenzied and frenetic find not the glide path that's so simply stated before them now, in My words which come forth increasingly in you, the leader, My leader, one leader, leader breeding leadership of only Me now coming forth, guiding My simpletons, My simple ones, My who will open and see Me. In DNA, My DNA, replete be. I love you.

20. So much so given, given already, given in code not, given obtusely not, confusingly not; but graciously, tenderly, and completely coming even more so, unrevealed revealed, all opened, coming forth. The history, the open-ness of details you now seek that you have sought, that you have asked.

21. **My three days of only Me.** My one-ship, My triune-ity, My trinity-ship, My glass forth, henceforth now and forevermore with you with Me, we shall be one. One Mighty Many, one, many-ship of only Me.

22. Thank you for getting up [from bed] concerned, because on the planes of Shinar, the Valley of Decision, waving flags, heralding Me, being Me, speaking My words, doing My will, fearing not, failing not, recanting not. I love you.

23. Go forth in Me in the simplicity of My will, so powerful, so powerful, obedience so powerful, so very powerful. Simplest obedience is so very powerful, opening gates of brass, doors of iron, chain-breaking decisions that **bring alive My DNA** in My who will let Me. Goodnight.
